

Download Our Maternity App

Available on Apple & Android devices

Get the App

<https://prgnyhlth.onelink.me/LHEz/cm>

Use the Maternity App to:

Track monthly progress

Make and manage to-do lists

Read educational articles

Call a Case Manager

1 Download Our Maternity App

Click the **Download App** button to open the phone's app store and download App.

Get the App

2 Open the App to get started

Select the **Get Started** button and fill out the form with name, date of birth, and health plan's member ID.

3 Complete a few steps

Use the **Next** button to move through the App's screens and learn about the features.

4 Enjoy all of the App's features

Read about pregnancies in the **Learn Library**, make to-do lists, track progress, and contact a Case Manager.
